# Overview

## Why use Iron Cove Solutions for Okta deployments?

Iron Cove Solutions is a Certified Okta partner having 3 certified engineers on staff who have completed the Okta training deployment and requirements of Okta for Business. Having completed its extensive on-boarding and migration training, we are uniquely staffed to handle the needs of moving easy to complex data structures.

As “Microsoft Silver Cloud” holders, we have completed more than 300 migrations to Office 365. When customers ask us for help in connecting Office 365 to Okta, we are their preferred choice. We have worked on 55K seat deployments for Okta down to 250 workers. We recommend Okta as a user-friendly cloud identity management platform.

Our dedicated team offers tailored solutions to meet your needs. Call today at 213.545.0601
